Greetings!

Penn United provides **MANUFACTURING SOLUTIONS** for customers needing precision components or precision-assembled products. Our complete range of manufacturing services allows customers to simplify their supply chain logistics by using Penn United's "one-stop shop" manufacturing services.

Whether the need is for a single prototyped piece, millions of precision metal components, or a complete turnkey assembly operation, Penn United's highly skilled work force takes pride in responding to customers' toughest applications. Above all, Penn United is founded on its core values of integrity - and that's what gets passed on to every customer...our assurance of **ABSOLUTE INTEGRITY**.

Please contact us to fulfill your manufacturing needs!
