

Penn United Technologies, Inc.

ITAR Registered - ISO 9001:2008 - GIDEP Certified

Does your organization have difficulty finding ISO certified suppliers that are ITAR registered and really know how to handle your project?

Are you a GIDEP participating member looking for other members to work with on your project from prototype to production?

We invite you to contact us with your manufacturing challenges. Penn United will provide you with **world class precision solutions**, helping you **simplify your supply chain issues**.

We look forward to working with you!!!!
